Alcohol	
Alcohol⁴	NT Remote Locum Program advises all health professionals not to consume alcohol whilst on a placement.

¹ Telstra 3G/Next G are typically the only mobile services that work in more remote parts of the Northern Territory. See link – <http://telstra.com.au/mobile-phones/coverage-networks/our-coverage/>

² For more detailed description of the health centre and their services, please contact the Health Service directly.

³ Training should be arranged before your arrival in the community.

⁴ It is an offence to consume or bring alcohol into a dry community in the Northern Territory.

Governance

Local Government

Local Council is the Coomalie Shire.
Land Council is the Northern Lands Council NLC.

Outstations

Amangul, Darrandarra, Southport and Gulngarring.

Other tips and relevant information

Other tips/relevant information

Be prepared for the variable standard of accommodation in communities. A sleeping bag sheet insert is a good idea for protection against biting insects.

Whenever possible, avoid being on the road from dusk till dawn. Apart from the unfenced cattle station, the region has a population of feral horses, donkeys, dogs and the occasional camel along with a native population of Kangaroos and Dingoes. All of which are a significant road hazard.

On arrival, please check with the Health Centre to understand any health or social issues within the community. They can also let you know of any sacred sites to avoid.

Disclaimer

This information is prepared in good faith and to the best of our knowledge at the time of printing. However, Aboriginal communities, like any community, can change as the population shifts and people move on. Please contact NT Remote Locum Program to confirm any key issues or concerns you may have ahead of your NT Remote Locum Program placement. NT Remote Locum Program also values any input you can provide to improve our Community Profiles.
